## BAK INDUSTRIES

**BAK INDUSTRIES** provides everything you need to make your truck complete with a great line of **tonneau covers**. Bak Industries offers innovation, quality and affordability. When looking for additional security and protection from the weather, search no further; Bak Industries delivers a great selection of tonneau covers. Leaders in quality manufacturing, Bak Industries' popular line of tonneau covers include the **BakFlip**, a wonderful creation in a folding cover that allows easy, unobstructed access to your truck bed.

The BakFlip folds down with ease and secures tightly to stay in place while you do your work. Work made easy in your truck bed because you have the freedom to move and get to every part of the bed. The BakFlip is designed to mount flush and can even be used on trucks which feature rails and tie-downs, racks or even a 5<sup>th</sup> wheel. No matter, the BakFlip gives every truck owner quick and trouble free access, 100% total access, without ever having to remove the bed cover.

Another fantastic product from **BAK INDUSTRIES** is their line of retractable tonneau covers: the **RollBak**. Their RollBak is considered to be one of the best in durability and toughness. So, if you are in need of a tonneau cover, which offers multiple lock positions and ease of use; the RollBak, made with aluminum panels will give you something rugged with great style and peace of mind knowing that your gear is safe and secure. Built to outlive your truck! The RollBak is something that will change your lifestyle. Frankly, that goes for all of their products as each one is made for what best suits your needs.

The RollBak gives you smooth daily operation with their fantastic Teflon guided rail design. And adding to the rugged construction, **Bak Industries** uses a superior powder coating, with a tough baked on finish that will enhance the look of your truck. Yet, good looks are only part of the greatness of Bak Industries' products. The RollBak can handle over 400 pounds of weight, making this one of the strongest of Bak Industries inventory. Not only are you getting a quality product, made in the USA, you get a 3 year warranty.

Giving you more choice, Bak Industries doesn't stop there. The **TiltBak** gives you a one piece, solid-construction tonneau cover. Clean lines and a smooth finish in another though and eye pleasing product. The TiltBak is the ultimate in ease of use. It's lightweight, at only 45 pounds, it's sturdy and simple to use, and all in one piece. This cover can handle well over 500 pounds of weight.

That's right, the TiltBak is built to load things on top of them and drive. With a thoughtful design team behind them, Bak Industries built the TiltBak to give you full access to your stake pockets, which allows you to secure the load on top with your choice of straps or ropes or whatever you use. No other one-piece tonneau cover offers this. In addition, the TiltBak offers you a far superior locking system because all the latches are hidden under the cover and are out of the elements and out of sight of potential thieves.

Try the TiltBak for it's patented drainage system for those really wet parts of the country to keep your truck bed dry all year long. This is just part of the complete package that Bak Industries provides for its customers – superior products and superior service. This tonneau cover is easily installed with one wrench and takes minutes to complete, there is no time consuming drilling or any invasive procedures. You can remove the cover just as easily if you need to do so. Absolute convenience.

No matter which Bak Industries product you choose, you can rest assured that if it's winter or summer, rain or shine, your truck bed is safe and secure and dry. There is never a one-piece fits all since all truck makes are different, but Bak Industries provides you with multiple choices for multiple applications all geared to deliver excellent function, durability, quality and reliability.

Bak Industries provides you with a great line of **tonneau covers**. But that is not all you get with this thoughtful company. They are a team of highly motivated, focused individuals seeking satisfaction from you, the customer. Their team consistently offers top quality products assembled by expertly trained and skilled craftsmen. They do this with the truck owner in mind, giving you quality and ease of use for all seasons.

You get the best of functionality and security. Bak Industries transforms your open truck bed into a large secure storage area making your truck safe from prying eyes and safer from theft. These quality tonneau truck covers gives you added protection from the elements and best of all; they provide you with a 3 year factory warranty for a fine product proudly made in the USA.

## Truck Covers USA

**Truck Covers USA** wants to revolutionize the truck cover industry by constantly pushing the envelope and striving for new heights in product usage. With such drive, they have the reputation as the leader in quality tonneau covers for everyone, including both the consumer and industry professionals. They specialize in custom builds of the highest standards using **heavy-duty aluminum** for top-notch quality, **retractable truck covers**. Some custom designs include builds for law enforcement agencies, various commercial entities and of course the discerning consumer in search of superior **tonneau covers**.

Truck Covers USA demands only the highest standards for what it gives the industry. They provide you with the latest technology coupled with state of the art materials. So, with the highest goals in mind, they not only challenge you, they dare you, to compare other tonneau covers before you buy. Their **AMERICAN ROLL COVER** is designed to custom fit nearly every make and model pickup sold these days. Truck Covers USA has a unique design that allows their product to fit trucks with roll bars and trucks with accessories, including most after market accessories.

The **AMERICAN WORK COVER**. Truck Covers USA brings you another awesome product with the multifunctional, heavy-duty new concept that combines the tonneau roll cover with a **tool box**... a union of what hard working folks desire for their hard working trucks. Protect your tools and protect your cargo. **The American Work Cover** brings the quality of their American Roll Cover with a galvanized sheet metal sectioned tool box, rust preventative properties and space saving design. This new creation includes **OEM grade locking mechanisms**. The locks are e-treated which reduces wear and tear. The lock also provides a molded rubber gasket for flange of housing to repel water and dust.

Know for ridiculous durability, Truck Covers USA delivers secure tonneau covers without losing style or convenience. Their highly trained staff employs the latest, cutting edge technology with brilliant minds creating innovative designs to give you the best. Their retractable tonneau covers are extremely versatile, yet extremely tough for those who work in a tough environment. Quality is the standard and their American Roll Cover is quality you can count on to match your truck.

You don't ask any less of your truck, so Truck Covers USA doesn't ask any less of what they provide. And excellence is what they deliver.

The American Roll Cover, made by Truck Covers USA, provides the market with the **double walled aluminum** construction and a textured **powder coated finish**, which greatly enhances the durability of their **retractable hard tonneau truck cover**. So, you get a super-tough, quality built cover with a beautiful finish to complement your truck whether you have a truck for show or whether you have a truck to work as hard as you do. Either way, you'll get the job done in style, with security and stability.

**Truck Covers USA's** superior quality and construction provides you with the same quality attention to their locks. With your security in mind, they give their truck bed covers a lock every 12 inches. Not only does this security feature help protect against thieves it provides security with water-tight and weather resistant seals. Again, a challenge they proudly take. A challenge they dare you to prove wrong when you compare them to others on the market—**a cover like no other**. Combine this with the multifaceted **American Work Cover** and you get a double duty masterpiece. A tonneau roll cover and a sectioned tool box!

The **American Roll Cover** offers the smallest canister of any **retractable tonneau roll cover** at 8x8 inches. With the heart and soul of a results-driven company, Truck Covers USA excels at research and development. The tonneau covers they provide are the results of a innovative R&D team dedicated to give the market the best. And when you buy the truck for yourself, you buy the best and Truck Covers USA provides you with quality. Satisfaction for your truck with gear made to fit Chevrolet, Dodge, Ford, Nissan, Toyota and many others.

Simply put, Truck Covers USA is dedicated to manufacturing truck covers that are superior to all others on the market. They are competitive and pay attention to detail. They love what they do and their success shows with customer satisfaction and customer feedback. The end result is excellence.

Excellence equals satisfaction. When you get a Truck Covers USA product you get the best. And the best goes a long way by providing more than just security and looks. Tonneau covers improve gas mileage with an average of 7-10% savings. With Truck Covers USA you save gas and save worry. They give you a hardy, aluminum cover that can withstand 500 pounds. The only cover tough enough to do so. Their new product, the American Work Cover has several options; some of which are **power actuators** and/or **built-in American Cargo light strip/shield**.

Truck Covers USA has delivered superior products at competitive prices since they've been in business. They are dedicated to customer satisfaction with a friendly and efficient business ethic. Always striving for perfection, they leave no stone unturned in their effort to provide you with the latest and greatest the industry has to offer. Not only that, **Truck Covers USA** will back it up with their two-year warranty. And they are a company that is proud to claim that everything they produce is made in the USA, in San Diego, California.

## EXTANG

**Extang, Inc.** is the number one manufacturer and seller of pickup truck bed **tonneau covers** in the United States. They were the first tonneau producer in America, in business since 1982. Extang, Inc. provides a multitude of tonneau pickup truck accessories with the utmost attention to quality, perfection and service. They were the first to develop the “Clamp-on” aluminum frame, tonneau truck bed cover system.

With a heart for the customer, Extang, Inc. does everything to provide the best products and best customer relations in the industry. An integral part of their service is to back their products with the **Extang Warranty** that covers your product longer than what most say your vehicle may last. A 10 year warranty on any defective truck cover materials and truck cover workmanship. They are the champions in the industry for offering the best warranty, which is all part of the essence of what the company brings to you. Excellence and superior products for all your tonneau truck cover needs.

Seriously, **Extang, Inc.** offers so many products it would be impossible to describe everything they carry in their catalogue. Some of their products include: **Revolution (ultra low profile tonno)**, **SOLID FOLD (folding hard lid tonneau)**, **EXPRESS TONNO (roll-top tonneau cover)** and **TRIFECTA (tri-fold tonneau by Extang)**, which is also available with the **New Signature Series Fabric**. Specifically relating to tonneau truck covers, they have at least eight designs available, most of which are offered in nine colors. This company also provides some of the most extensive collection of after market accessories for pickup trucks as well as accessories for their tonneau covers. All this and more from a company who leads the industry in engineering and development of high quality products for the consumer, whether it's professionally related or just for the average truck owner.

Extang also brings you **FULL TILT (easy lift, hinged, removable)**, **Classic PLATINUM (Premium, original, snap style)**, **BLACKMAX (all black frame, snap style)**, **Tuff Tonno (no snaps, slick-lock tail rail)** and **TOOL BOX TONNEAUS (perfect fit to your tool box)**. All this and more from a company that has been at the top of a product buffet featuring exceptional, rock solid gear.

Extang, Inc. leads the industry with more design patents than all other Extang tonno cover companies combined. Extang, Inc. offers such products as the **RT Tonno**, a **Roll Top** truck cover with full tilt capabilities. They also offer folding bed covers and soft top covers. Extang is a true leader, a world leader, in the innovative tonneau cover industry. They hold the highest standard in engineering and manufacturing to provide you with the finest covers made and backed by the best warranty the market has to offer.

Extang, Inc. gives you the most the market has to offer. This is a necessity since the truck market is so vast, but not to worry. If you have a Chevy, Dodge, Ford, GMC, Nissan or Toyota, **Extang, Inc.**, tonneau covers has what you need. Their hard covers come with easy to install instructions for an easy to install product. Most of what they offer in tonneau hard covers can install in minutes to give you the maximum in versatility, security and protection from the harsh elements nature can dish out. Not matter if it's work or pleasure; Extang, Inc. tonneau truck bed covers are the best. Durable and tough they come with great advanced features to secure your valuables with heavy duty locks and rails to keep the most ardent thief at bay and weather outside, where it belongs.

Their hard covers are ultra strong and light. Like the **SOLID FOLD**, which is engineered from **aircraft grade aluminum alloy**. This is just the tip of the iceberg, as toughness and quality are only part of the equation. Their products are engineered and designed to look great also with the **poly-tex** paint finish to provide the ultimate protection to battle harmful UV rays. Style and cargo security all in one.

The ease with which their tonneau covers can be installed is just what this fast paced world needs. Most of what Extang provides in truck covers can be installed with just one person and no power tools. A wrench is all that you will need. Fast and convenient, high quality, strength and durability for your favorite pickup to look its best while providing the ease of mind knowing all your cargo is secure.

Extang brings you the **TRIFECTA TRI-FOLD TONNEAU**, which is just that, a tri-fold with no assembly required and no tools either. Engineered with precision and attention to detail. It's 45 degree steel corners, commercial grade rails and I-Beam style Monster Bows provide you with great security and unparalleled strength.

All this is a result of demanding beginnings when values and integrity were melded with engineering excellence and exacting standards. Extang, Inc. hit the market with a well designed product, exceeding the standards then and exceeding them now. Performance and customer satisfaction is what makes Extang, Inc. the best in the business. Engineering and dedication is at the heart of the company and that's why Extang is the number one selling **tonneau brand** in the USA.

Hard work and the pursuit of perfection in product quality pays off. Those elements hard to find these days, but Extang, Inc. has adhered to these aforementioned principles to bring to you, the consumer, products that will maximize and enhance the utility, ease of use and style of your truck. The engineers and staff at Extang, Inc. are committed to giving you the best they can offer and their long life in this industry is a fine example of what they can do and their reputation precedes them.

Over the years they have grown into one of the largest companies in America to provide all types of truck bed covers from low profile tonneau covers to tri-fold tonneau covers. They offer covers for all sized truck and all budgets. The Black Max and Tuff Tonneau are the two most popular covers, but they have some newer inventory, like the **Solid Fold** or the **Trifecta**, which may be just what you need. Each product offers different functionality so search for what you need and you'll be able to find it through Extang, Inc.

## **TRUXEDO**

**Truxedo** is a the lead manufacturer of **roll up tonneau covers** with many different styles to choose from. Truxedo gives you a choice of the best new, innovative tonneau cover concepts; which emphasize function, style, quality and durability. Truxedo offers a multitude of products that best suits your needs for your truck bed. All their covers are made from strong materials giving you a clean and sharp appearance. They manufacture everything from soft roll-up covers to hard toolbox tonneau covers.

The **Truxedo** staff is a passionate group of people who love automotive customizing. They seek excellence as they continue to expand and diversify their product line. Customer satisfaction is their goal. Truxedo offers its customers the highest quality engineered tonneau covers and they can do it with short lead times without sacrificing their standards. It's world-class customer service and they give **the best tonneau cover warranty in the industry**. Such as a **lifetime warranty** on the tonneau truck cover, tonno bed cover, pickup bed cover, which covers everything. Yes, everything.

Truxedo offers their covers in five colors giving you more choice for the enhancement of your truck. One of their top sellers is the **Truxedo Lo Pro QT** and that comes with a Lifetime warranty, a low profile appearance, quick installation and a **Patented Auto Tension Control**.

This year, Truxedo is proud to introduce some unique designs from their team of expert engineers. They are easy to install and carry the best warranties in the industry to enhance the look of your truck. It's the new TONNEAUTRAX, new to the product line; the **TronneauTrax** is a complete cargo solution. It comes with an innovative rail design to secure your cargo with integrated **cargo anchors** within the tonneau cover system that makes hauling large cargo easy and fast and secure.

You can load heavy gear and with the heavy duty clamping system, you have about a 1000 pound load limit, locking option. It's versatile hauling with adjustable anchors at your fingertips to lock your load securely in place without the need to crawl inside the bed. All the anchors are right alongside the inside top part of the bed.

The team at Truxedo also introduces the **TonneauMate**™ to create the most versatile toolbox in the industry. It fits most full sized trucks, with or without the tonneau cover. With the unique adjustable inside mounting, it elevates the TonneaMate™ to allow for use of the entire truck bed floor. Truxedo is a collection of customer oriented engineers and staff with all your needs in mind. They are committed to bringing you the best accessories for your truck covers and truck needs because they offer the highest quality engineered products, even with short lead times and they do it with world-class excellence with world-class warranties.

Some of their fantastic products include the **Truxedo Edge**, which features an aerodynamic cover design: an arched stylish tailgate that adds great appeal to the appearance to any truck. Its simple installation takes less than 20 minutes without drilling and easy to attach clamps. The Truxedo Edge is a well made, durable item that is easy to operate and gives you full truck bed usage. The side rails mount along the inside and allow you access to your stake hold pockets giving you maximum versatility. And the final touch is the adjustable tension control, which adjusts in seconds for a snug fit in any weather situation. Hot or cold, wet or dry. It keeps your cargo away from the elements guaranteeing safe travel for your goods. Even if you have large cargo, don't worry, roll up you Truxedo Edge in seconds and you are ready load and roll.

Never letting you down, **Truxedo** offers great customization of their products to give you that personal touch to separate you from the pack. They proudly offer custom cuts for trucks with preinstalled toolboxes and cuts for those of you with classic trucks. Truxedo also offers embossed finishes for those of you who have a penchant for things like the Harley Davidson enthusiast, names or even your own design.

**Truxport** offers a soft choice for your cover if you need to stay within a tighter budget. The Truxport installs in less than 20 minutes, like most of their gear, and it's done without drilling or modifying your truck bed. With this you get ease of use, quality with a tough design and easy one-person operation.

Some designs offer the ease of the soft roll tonneau cover with a **hinged section** to give you easy access to reach your cargo quickly; and that means you can utilize the hinge for front or back of bed access. Or you can roll the cover out of the way. The choice is yours.

Of course you can go with the **ORIGINAL TRUXEDO**. You get automatic tension control to keep the cover tight in fluctuating temperature situations. The exclusive designed side and corner seals keep the elements out of your bed, protecting your cargo. This is easily done with the innovative, continuous Velcro ® contact—no snaps or adhesives to fail you.

As always, tonneau truck covers offer you an opportunity to save gas with increased aerodynamics. Truxedo is a top notch company with a loyal following. **Customer service** and excellent attention to quality manufacturing are hallmarks of Truxedo. They back all their covers with a **Lifetime warranty**. Not many companies offer that. The product speaks for itself and they offer many other products to suit whatever you may need. Customization is something that Truxedo is pleased to offer and with that, they are truly proud to say they are made in the USA.

## UNDERCOVER

**UNDERCOVER, INC** Truck Bed Covers has laser beam focus on **QUALITY** and Commitment to excellence. Their tonneau covers are built to protect you from top to bottom, both figuratively and practically. Ultimate customer satisfaction is what makes Undercover truck bed covers products stand out as a force to be reckoned with. Strong and durable, these truck bed covers provides the best on the market at a reasonable price.

**UnderCover Classic** is the flagship, go-to **tonneau cover**. Made from lightweight, **ABS Composite material**, you get a super strong design that's easy to remove and mount and gives you the ultimate protection from the elements and from thieves. Undercover, Inc. designs its products to withstand the abuse of everyday work and play. It's easy to install also; and when you are done, you can easily place it on your wall with an easy to install wall mount. All their tonneau covers come equipped with **LED lighting**, quick release struts, **twist locks** and pull straps.

The **UnderCover SE** includes the same quality and style of its predecessor, but adds an easy to find **Center Point Lock** and Concealed Hinge. This heightened security feature gives you ease of use to quickly get your gear in and out of the truck bed. But ease of use doesn't have to sacrifice protection as the rubber seal around the cover keeps water and other nasty elements from getting into your stuff and making things a mess.

Always evolving, UnderCover, Inc. offers the next line of its product with the **UnderCover SE Smooth**. Again, you get all the features of the original, but you get a paintable cover, so you can create the exact look you want without losing safety or style. Customization--keeping your lifestyle at its peak so you look good and feel safe anywhere your travels take you.

Another awesome product from the makers of the superior ABS covers, of some of the best truck bed covers in America, the craftsmen at UnderCover, Inc., brings you the **SWINGCASE**, which provides secure, out of the way storage and security of your smaller items. Stage your hand tools and small toys or whatever you don't want to have bouncing around in the bed in a compartmentalized, super strong case. And user friendly also. It's made to swing out over the tailgate to give you easy access to all your important tools. Easy on your back and tough on their competitors, the Swingcase makes working hard, really easy. Another great feature of this neat product is that it's removable. You can take this **tool box** out and bring it to where you need it as you work to get your job done.

The **Swingcase** can be mounted on either side, or both sides of your bed. The Swingcase, once it swings in, easy fits over the wheel well, which saves you space to utilize the center of the truck bed for your cargo and secure all of it with the **UnderCover tonneau** of your choice. Once you get your Swingcase out of the way, another feature allows you to lock the case to your truck bed making it secure so you could even drive without the truck bed cover.

UnderCover, Inc., continues to set the standard for quality tonneau covers, with ease of use and all this is also friendly on your wallet. Their covers fit most truck beds, Chevy, GMC, Dodge, Mazda, Nissan, Toyota and Suzuki. Remember, customer service is top priority, so if safety, security and style are what you need, UNDERCOVER, INC., is the place to shop for superior truck covers made in the USA.

At 58 pounds, it's easy to move and store. Tough as nails, the **ABS composite** is scratch, scuff and break resistant. Installation is quick and easy. 30 minutes can get you on the road. Just install with bolts and you are ready to work or get going on the vacation. Once there and you need access, your cover stays open with either superior hydraulics or springs, the option is yours. And don't worry about working at night either; each tonneau cover is equipped with an LED light so you can get your job done whenever the occasion arises.
